Dear Reddam House Parents,

RE: Youth Hockey

Due to the limited number of players that we are receiving at junior (u14/u16) girls and boy's hockey practices this term, a decision has been made to reschedule the days of practice for the various age groups.

Below, please see the amended practice sessions:

Girls Hockey

Monday: u14/u16/u18 (14:45 – 16:45)

Tuesday: u14/u16 (14:45 – 16:15)

Wednesday: u18 (14:45 – 16:45)

Boys Hockey

Monday: u14/u16/u18 (14:45 – 16:45)

Tuesday: u14/u16 (14:45 – 16:45)

Wednesday u18 (14:45 – 16:45)

The rescheduling of the practice days and age groups will allow for more effective training with the teams respective age group coaches and provide a larger pool of players for more advanced match sense methods of practice.

Understanding that you as parents have possibly made other arrangements for your child on the alternative training day, we kindly request that you would indicate if there is an issue with regards to the newly arranged training session on a Monday.

Kind Regards,

Dean Anthony
